\*This table displays the sums of itemized independent expenditure disbursements as disclosed by committees and filers in independent expenditure reports. Some of the independent expenditures will not reach the \$200 threshold for itemization and as a result, the total of independent expenditures displayed in this table will be less than the total in Table 1, which sums independent expenditures by overall summary amounts.

\*\*The Political Action Committee (PAC) total excludes amounts for Independent Expenditure-Only Political Committees (Super PACs) and Political Committees with Non-Contribution Accounts (Hybrid PACs) because these committee types are represented in this table as separate line items.
